Project FINE2WORK approval and the first partner meeting in Cyprus in January 2020

The Erasmus Plus programme strategic partnership project “PROMOTING FINANCIAL, DIGITAL AND ENTREPRENEURIAL COMPETENCES FOR VULNERABLE ADULTS (WOMEN) WITH RESTRICTED ACCESS TO THE DIGITALISED MARKET (HOME BASED)” (FINE2WORK) No 2019-1-LV01-KA204-060337 is approved.

Project leading partner is NGO Project Net from Latvia, partner organizations are Emphasys Centre from Cyprus, Ruse Chamber of Commerce and Industry from Bulgaria and NGO Descularte from Portugal.

The project aims to provide adults with a three-stage upskilling pathway programme to acquire, develop, assess and validate a set of essential competences (financial, digital and entrepreneurial) to be able to meet the needs of working remotely. The project duration is 24 months, total allocated budget 145380.00 EUR.

The first partner meetings was held in Cyprus on January 8-9, 2020. The partner organization representatives met to discuss project implementation strategy and start the first intellectual output development. The first outcome will be project FINE2WOR mapping of opportunities for home-based or remote jobs for adults with restricted access to the labour market: from the national to the EU level and survey of adult learners’ s training needs.

Project partnership are ready to work and do hope for the great success of project FINE2WORK.
